MARCELINE
LEGACY FUND
EST. 2026

Leave a Legacy. Strengthen Marceline's Future.

Whether you grew up in Marceline, live here today, once called it home, or simply care about this community, you can make a lasting difference.

The **Marceline Legacy Fund** was created to provide permanent support for our community's future. Managed through the Community Foundation of Northwest Missouri, donations are invested and grow over time, creating resources that can benefit Marceline for generations to come.

This fund isn't dedicated to one project or one organization. It's dedicated to Marceline. Every gift helps build a stronger future for our parks, families, youth, community improvements, and future opportunities.

The impact of one gift may seem small, but together we can create something meaningful and lasting.

Now is the time to invest in the community we value and the future we want to leave behind.

Join us. Give what you can. Help build Marceline's legacy.

...because the future of Marceline is shaped by those who choose to make a difference today.
